## **PORT OF SOUTHAMPTON:**

[https://www.southamptonvts.co.uk/Port\\_Information/](https://www.southamptonvts.co.uk/Port_Information/)

The Port of Southampton is the busiest cruise hub in the UK and is known as the cruise capital of Northern Europe. This bustling cruise port has five total cruise terminals: Horizon, Mayflower, City Cruise, Ocean and QEII which are widely spread apart. The Mayflower, Ocean and City cruise terminals are closest to the city and are within reasonable walking distance (10-15 minutes) from hotels if you do not have too much luggage. The other two are a five-minute taxi ride away. We will confirm which terminal our ship will be departing from as we get closer to the sail date.

**Note:** Sundancer will be checking into a bus shuttle from the group hotel to the Port as we get closer to the cruise.

**FLIGHTS:** You can book your own flights, or you can also get a quote from Princess EZAir through the Cruise Personalizer or call Sundancer. You can cancel the Princess flights with no penalty up to 45 days prior to flight if you find something better.
